Forster
Private Hospital

Forster Private Hospital, part of Health Care Australia, is a 64 bed facility offering Medical, Surgical, Rehabilitation and Oncology Services. Forster is located 2 hours north from Newcastle and boasts extraordinary natural landscapes including beaches, lakes, rivers, with many opportunities for outdoor activities amongst a friendly welcoming community and an enviable climate. Our facilities include two Operating Theatres and a state of the art Hydrotherapy Pool. We offer competitive salaries, flexible rostering, free staff parking & professional development support.

Due to ongoing growth in our service, Forster Private Hospital is seeking experienced CSSD Technician to join our dynamic team.

The CSSD Technician you will be responsible for the reprocessing and sterilisation of surgical instruments and equipment to the Operating Theatres and clinical areas within the hospital. This position would suit both experienced CSSD Technicians as well as those currently studying a health related discipline at a tertiary level.

Essential Criteria:

- Certificate III in Sterilisation (or working towards)
- Experienced Instrument Technician with current knowledge of all aspects of sterilising services
- Minimum of 2 years' experience in a CSSD department with cleaning, decontaminating, sorting and assembling surgical instrument trays
- A team player with strong collaborative interpersonal communication skills
- Ability to work a rotating roster that includes weekend shifts

Applications Close **8 October 2021**

Your application must demonstrate your suitability by addressing the key responsibilities of the position. Please submit your resume and cover letter to tracey.stallings@healthcare.com.au
