

Position Vacant

Forster Private Hospital, Mayo Private Hospital Graduate Nurse Program 2025 (RN & EN)

About the role

We understand the first year as a Registered or Endorsed Enrolled Nurse can be an incredibly exciting but daunting experience. Mayo and Forster Private Hospitals will be with you every step of the way. Our caring team of highly experienced clinical professionals will guide, support and teach you as you grow in knowledge and confidence as a Registered Nurse or Enrolled Nurse. An exciting opportunity exists to join either team at Mayo or Forster Private Hospital as a member of our New Graduate Program. We are looking for highly motivated, enthusiastic and compassionate graduate Registered and Enrolled Nurses to commence in March 2025.

About the hospitals

Mayo Private Hospital is a 79-bed facility located within the Manning Valley and part of the Mid North Coast. We are the only Private Hospital within the Manning Valley. Forster Private Hospital is a 64-bed facility located in the Great Lakes Region as part of the Mid North Coast. Forster is the only Private Hospital within the Great Lakes area. Both sites share the Health Care values which are patient centered care, best practice, best experience, positive energy, it's personal, respect and empathy.
