

Position Vacant

Physiotherapist

Full Time | Part Time | New Grads Welcome

- Ongoing Professional Development
- Reward and Recognition Program
- Free Parking

Live by the beach, surf and lake in some of the best climate in NSW, while gaining experience or furthering a career in a well remunerated role with career progression opportunities both locally and nationally through our organisation.

Forster Private Hospital is looking for an enthusiastic Physiotherapist to become part of the dynamic multi-disciplinary team. This position presents a rare opportunity for a position that is suitable for newly graduated or experienced Physiotherapists looking to progress their career and take on increased responsibility.

You will have the opportunity to work across the hospital and community outpatient programs with a variety of case mix. Forster Private Hospital boasts an Acute/Surgical Ward and Rehabilitation Unit, with both inpatient and outpatient rehabilitation, along with a large hydrotherapy pool and gymnasium. You will be well supported by experienced management and a friendly, vibrant team.

Continuing education is an integral part of the department's program. As part of our Allied Health team you will take part in regular in-services and also be eligible for paid study days and Study leave for courses to further your development

Essential criteria:

- Bachelor of Applied Science Physiotherapy/Master of Physiotherapy
- Current registration with AHPRA.
- Excellent written and verbal communication skills.
- Ability to manage varied caseload.
- Ability to work in a team environment.
- Hydrotherapy experience or willing to learn hydrotherapy.
- Covid vaccination

Desirable Criteria:

- Experience working in rehabilitation
- Experience working in a group therapy setting

Applications close 31 December 2023

All written applications must address and meet essential criteria. Applications must include a cover letter, CV and 2 professional referees: **Allied Health Manager, Daniel Griffin**
