

Vision, Mission & Values

Vision: To become a leading provider of health care and related services.

Our group will be renowned for its duty of care, quality services, sound fiscal management and robust corporate governance. We will become the employer of choice while we continue to support and build strong ties within our communities.

Mission: To improve and sustain people's health.

Health Care is committed to improving and sustaining people's health through its network of hospitals and related services. Our group will continue to expand its service offerings through acquisition and organic growth to become a leading provider of health care and related services.

We will promote preventative care and wellbeing through the delivery of personal health management services and occupational health and safety programs. We will continue to deliver a safe, flexible and supportive working environment across our entire group and engage in activities to support local communities and the environment.

Values: Health Care is committed to building a supportive working environment.

People above all else

Provide our employees, clients and stakeholders with leadership that is inspirational and encourages them to be the best they can be.

We listen, recognise and reward our people's achievements.

Enjoyment through work/life balance

Our philosophy is based on the belief that work/life conflicts impact on employee satisfaction and enjoyment within the workplace.

We focus on providing employees with flexible work arrangements to enable them to participate in the workforce and fulfil their family and lifestyle commitments.

Professional Integrity

Provide a transparent environment where people are treated with dignity, respect and understanding.

We are open and honest in our dealings with fellow employees, our clients and stakeholders.

Optimism, creativity and initiative

We encourage vitality, enthusiasm and creativity from our employees, clients and stakeholders. We believe that diversity breeds a creative and optimistic environment.

Determination to succeed

Provide an environment where people are encouraged to think beyond the traditional boundaries and be the best they can be.

We believe that empowering and supporting our people breeds success.

Commitment

We are committed to working with our employees, clients and stakeholders to promote and advance the organisation in a professional manner.

Health Care is committed to building a supportive working environment.
